SSSP Data Collection Questions for SY2024

As required by Texas Education Code §37.115(k), Safe and Supportive School Program (SSSP) teams are required to report their annual activities by campus to the Texas Education Agency (TEA). This instrument is the method that is currently being used by the TEA to collect the required data for each campus. SSSP teams are responsible for following the policies and procedures established by their LEA for collecting and maintaining documentation of reported threats, threat assessments conducted, and outcomes of each threat assessment for each campus served by the team.

Affirmation for LEA

When the survey opens, the respondent will provide information about the campus and their own identifying information. The respondent will be required to affirm authorization to submit data for the identified campus prior to continuing and submitting the data.

This survey instrument is campus specific and designed to collect the data that the SSSP team is required to submit for each campus it serves in accordance with TEC §37.115(k). If you need assistance with this data reporting instrument, please contact TEA at safeandsupportiveschoolprogram@tea.texas.gov.
